About Derina Harvey Band (dHb)

Derina Harvey leads the award-winning Celtic Rock group, the **Derina Harvey Band (dHb)**. **dHb** has been likened to a "rockier" version of Canada's Great Big Sea, if fronted by Adele, and has earned a reputation as an energetic show that leaves many an audience out-of-breath and hollering from their seats!

dHb has covered a fair amount of Canada via the performing arts and festival circuits and is now poised to do the same in the United States. They were smash hits at four juried US showcases - Arts Northwest (Best in Showcase Award), Western Arts Alliance, Performing Arts Exchange, Ohio Arts Professionals Network - and following these, the band has quickly begun to make inroads from coast to coast in the US.

The group enjoys a huge wave of online followers from across the globe via TikTok, where there was a sea shanty craze that started in 2020. **dHb's** recording of Tom Lewis's "The Last Shanty" was used in thousands of videos on the platform, introducing the band to a whole new generation of listeners.

Parker Concert Hall is Brevard Music Center's state-of-the-art venue overlooking scenic Lake Milner. This season the hall plays host to a twelve-concert series from October through May featuring a varied lineup of classical, jazz, vocal, and fusion artists. The series continues **Thursday, March 28 at 7:30 p.m.** as BMC presents the multi-award winning pianist, composer, and North Carolina native, **Chad Lawson**, in concert.
